CONFERENCE OBJECTIVE

- To promote better understanding of the unique health needs and challenges of the aging population, and to identify strategies for improving their health outcomes.
- To showcase the latest research, best practices, and innovative solutions in the field of health sciences for older adults.
- To raise awareness of the importance of addressing the health needs of older adults, and to advocate for policies and programs that promote better health and healthcare for this population.
- To inspire and empower the next generation of health professionals and researchers to make a positive impact on the health and well-being of older adults.

CONFERENCE SCOPE

This conference covers wide range of health sciences topics with a focus on physiotherapy, environmental and occupational safety and health as well as medical imaging and in the context of health care delivery, public health initiatives, and health promotion as it relates to an aging population. Current research findings, best practices, and technological advancements in health sciences that leads to better health and healthcare outcomes for the aging population is aggregated for the collective learning of all participants.

RESEARCH TRACK

- Advancement in Physiotherapy
- Advancement in Medical Imaging
- Advancement in Environmental Health and Safety
- Psychology of Wellness
- Health Risk Appraisals, Screenings, and Interventions
- Disability Support Services
- Physical Fitness and Aging
- Health Technologies
- Chronic Disease Prevention
- Personalised medicine
- Occupational Health and Safety
- Public Health Policies and Practices
- Public Health Policies and Practices
- The Economics of Health and Wellness in Society
- Health Literacy
- Health, Life Expectancy and the Cost of Living Longer

FEES

PAPER PRESENTER (INTERNAL/EXTERNAL) USD 100 / RM 450
(Additional papers: USD 70 / MYR 300)

PAPER PRESENTER (MAHSA STUDENT)
USD 60 / MYR 250
(Additional papers: USD 35 / MYR 150)

PAPER PRESENTER (EXTERNAL STUDENT)
USD 75 / MYR 300
(Additional papers: USD 50 / MYR 200)

LISTENER (EXTERNAL)
USD 50 / MYR 200

LISTENER (MAHSA STUDENT)
USD 25 / MYR 100

LISTENER (MAHSA STAFF)
USD 50 / MYR 200

PUBLICATION

All registered and presented papers will be published in:

MAHSA International Journal of Health and Medicine (e-ISSN:2805-5705)
