

FIRST AID at Workplace Workshop

Let's Learn How to Save Life

In conjunction with the Mi-CHEST 2023 Conference, Faculty of Health Sciences proudly invited everyone interested to our pre-conference workshop, First Aid at Workplace (FAWP).

Why join us?

- **Safety:** You can provide immediate care to an injured person until professional medical help arrives, potentially saving their life.
- **Personal development:** Learning first aid can be a valuable personal skill that can be applied outside of the workplace as well.

We help you to get the right First Aid at workplace knowledge!

Participants will receive a certificate of competency issued by St. John Ambulance Malaysia recognized by DOSH, valid for 3 (three) years.

May 24th-25th, 2023

MAHSA University, Bandar Saujana Putra

Trainer: St. John Ambulance Malaysia
(DOSH-listed Institution)

- RM 800 (general)
- RM 750 (Mi-Chest 2023 participant-inclusive conference fee of RM150)

Topics:

- Dressing & Bandaging,
- Cardiopulmonary Resuscitation (CPR),
- Introduction to Automated External Defibrillator (AED),
- and many more subtopics that will be provided you with the knowledge and skills necessary for being a competent first-aider.
